

AL DORMAN INSURANCE BROKERS LTD.

MISSION STATEMENT

To embrace the importance of exceptional customer service, a family-like atmosphere and community and apply these same values and foundations to our business within the day to day. We will deliver on our promises and provide undivided attention to our clients, ensuring their most valuable assets are properly protected and that we adhere to our standard of service excellence at all times. We will foster a culture of inclusion and empowerment, with paths to success available through continuous learning, career development, leadership opportunities and work-life balance.

VISION STATEMENT

To be the insurance brokerage of choice, dedicated to educating, servicing and protecting families and businesses within our communities and beyond.

CORE VALUES

Our clients, our team and our community's trust, loyalty and respect
will be the measure of our success!

We build long term relationships by providing an exceptional customer service experience.

We conduct business with integrity and honesty, at all times.

We are open to change, embrace challenges and find solutions.

We strive to develop leadership through all levels of the organization.

We work hard and like to have fun!
